

Packing List

DUFFLE BAG

All of your personal items should be packed into a soft-sided duffle bag approximately 12" x 13" x 24" in size. Due to aircraft weight allowances and raft space, **please limit your gear to 20 pounds.** This 20-pound maximum weight limit does not include beverages.

DAY BAG

Upon arrival to the river's edge, you will be provided a water-resistant day bag (approximately 6" x 12"). In this day bag, you will want to put those items you wish to access during the day (raingear, camera, medications, sun block, lip balm, river guidebook, etc). We recommend packing these items in a small sack or bag inside your duffle for easy transfer to your day bag at the launch site.

GEAR BAG

Also upon arrival at the launch site of your trip, you will receive a water-resistant gear bag. This bag will contain your sleeping bag, sheet and ground tarp. You will put your duffle bag inside this bag, roll the top down and clip it securely to avoid getting your personal gear wet. Your personal gear bag will be available in camp each night of your trip.

CLOTHING ITEMS

- Two-piece rain suit or "paddle gear"** (Not just for rainstorms - offers protection against potentially cold water and wind-chill when running rapids - especially early in the morning.)

- 1-2 pair comfortable shorts and underwear for camp
