GRATUITIES

Your guides will make every effort to see that each of your adventures is enjoyable and successful. Gratuities for guides are appropriate, greatly appreciated and at your discretion, as a gesture of thanks for their professionalism and service. As guides for each activity will likely differ, you'll want to take some cash on each of the trips. A suggested per-person guideline is between \$5 and \$15 for Hummer and Horseback tours and \$10 to \$25 on the rafting trip. The common practice is to give the gratuity to the guide at the end of the trip. In trips where multiple guides have participated, the gratuity will be split amongst all of them.
